Further Medical Information—if you have selected any on the online enrolment.

Advise in more detail of medical conditions. (Please provide any documentation if necessary)

Serious Allergies:

Medication / Dosage:

Dietary Requirements - *please list any dietary requirements for Food Technology or school lunches:*

Special learning needs or agencies involved (e.g. ICAMHS, OT):

Cell Phone / Correct Uniform Agreement

Our students do not use cell phones as a learning device at GisInt. Students who bring a cell phone to school must hand it in to the office at the start of the day. I understand GisInt accepts no responsibility for loss or damage to student cell phones.

I understand that wearing of the full and proper GisInt uniform is a condition of enrolment and I will support the school by providing this uniform for my child and I will ensure my child wears it at all times.

Please type your bellow as agreement.
